

Junior League Shopping Mall

How to shop

The mall map is in the center of the page. The sidebars on the left and right of the screen list some **Featured** category merchants. Below the mall map is the **Shop by Category** feature where every merchant in the Junior League shopping mall is described and can be browsed. Also, you can **Search** for a Category or Merchant, which is located at the top of the page just below the banner.

- First, **choose a store**, either by clicking on it in the **Mall Map** or by using the **Search** function.
- Next, select the League that you wish to benefit from the drop down menu that appears after selecting your store.
- Then, shop!

Other information

- After your first visit to the mall, your previously chosen or **recent beneficiaries** are displayed. You can choose one or select another from the choices at the mall.
- You can use the “Back” button at the top left corner of the browser screen to return to the mall and choose another merchant and pick from your recent beneficiary(s) (refresh the browser if you want to see recent beneficiaries from this browser session) or choose a different one.
- When you are finished, remember to bookmark the mall for future use, if you did not already. On the top of the left sidebar is a place to do this.

Who benefits

- Upon check-out, the merchant makes a payment in the form of a royalty to the organization that you designated.
- Payments are not tax deductible for the shopper.
