To our fellow community members:

We just wrapped up another successful year serving the Daviess County community, and the impact we have made would not have been possible without the generous support of our sponsors. Last year, we were able to award one \$10,000 grant to Crossroads, Inc., four \$500 scholarships to graduating seniors to support their continued education, and over \$2,300 to GRADD for their Stand Against Child Abuse program. This year we are focused on one single area, supporting young women and single mothers who struggle with hygiene poverty. We do this through projects like Free Laundry Day and the Little Black Dress Initiative.

Our work in the community does not stop, and as we finish up one year we begin work on the next. This year we have installed a new Board of Directors, and we have narrowed our focus to supporting young women and single mothers in the Daviess County area. We do this through projects like Free Laundry Day and the Little Black Dress Initiative.

We are also shifting more of our efforts toward developing our members into skilled and capable community leaders, in line with the mission of our parent organization, the Association of Junior Leagues International. We achieve this through training and education, leadership experience within the league, and volunteer opportunities in Daviess County. Our ability to develop local women for leadership is possible because of you.

Together, with financial investment and support from donors, we've been able to continue this work in Daviess County. Will you commit to helping further our local impact by renewing your sponsorship today? With your help, we will be able to offer expanded training and educational opportunities to our members and ensure that the Junior League remains strong for many generations of future women leaders in our community.

A wonderful community like Owensboro deserves every opportunity for healthy and successful growth, and the Junior League is proud to be an organization working to help Owensboro thrive. We hope that you will join us in making a positive impact in Daviess County.

Thank you for your support,

Jen Vogel
